A MESSAGE FROM THE PRINCIPAL

Welcome to the 2012–13 school year! We will open our doors this year with around 2,950 students. The campus is buzzing and many activities have already begun. Our Band has been practicing in preparation for the upcoming season and they sound great! Football and volleyball have started and it is exciting to see the new season off to such a great start.

On September 20 at 6:30 PM, the Reagan PTA will host our annual “Open House Greenback Night.” Please mark your calendars so that you will be sure not to miss this main event.

Student drop-off and pick-up will remain the same again this year. Parents are allowed to drop off and pick up students in the front circle and at the library circle on the east side of the campus. No traffic will be allowed to enter the “Bus Lane” that goes between the baseball and football fields.

During the first few weeks of school, we will conduct student assemblies to cover all rules and regulations. During these assemblies we will cover all important issues with our Rattlers including dress code, electronic networking, phone usage, security and many others. If your daughter/son has any question regarding what is appropriate to wear to school the first two weeks of school, they may ask any administrator or counselor. If they have some doubt, they may want to wait until after the assemblies to wear what they are questioning. We will adhere strictly to the district dress code this year, as stated in the Student/Parent handbook.

As we level and balance teacher/student ratios in all classes the first few weeks of school,
some student schedules and teachers may change in order to create the best educational setting. Please remind your son/daughter that these changes may occur so they are not surprised if this happens.

The PTA packets of information will be coming home the first week of school. These packets include important information that is essential for school to operate properly. Please complete this information as quickly as possible and return it to school. We really appreciate your help with this matter as it provides emergency contact information in case we need to get in contact with you.

We are fortunate to have the “Best PTA” in the state of Texas. Please join our Reagan PTA and become a member of the hardest working group in the state that strives to improve student learning. This is one of the main reasons that Reagan leads the state in student success.

Thank you for all that you do for Reagan High School. We look forward to being educational partners with you throughout this year.

Sincerely,

Bill Boyd
Principal

After a long, hot summer, it's time for the excitement of a new school year! Whether you are sending a student off to kindergarten, middle school, high school or college, August is an exciting but busy time.

Now that you have stocked the backpacks, survived two-a-day practices and started your school-night routines, I hope you can all make time to get involved in some of the many, many activities going on at Reagan. From Rattler Round Up to Project Graduation, there are numerous events that you can attend either as a spectator, as a participant or as a volunteer. I encourage all of you to get involved in Reagan High School. Show your children that their school is important to you. Meet the faculty and the administrators – they are very dedicated! Learn your way around our campus and see all the great resources that are available to our children. Get to know other Reagan students and parents. Get involved to be a part of the success of the Reagan community.

I believe the best way to get involved is through volunteering. Whether it’s baking a pie for the faculty, hosting a pregame team dinner, or serving on the Project Graduation committee, there are volunteer opportunities for everyone at Reagan. Every sport, every club or group, including PTA, relies on parent volunteers to achieve their goals. Look for the Partners in Education (PIE) Form in the Welcome Packets. If you are new to NEISD, or new to volunteering on campus, follow the instructions on the PIE Form to complete the criminal history record check required by NEISD. To receive information on volunteer opportunities that fit your interests and your schedule, complete the PIE Form and return it with the Welcome Packets.

As I begin this year as the new PTA President, I would like to thank all of the new and returning parents who have already become involved by volunteering for the PTA Executive Board and others who helped make Prep Days a success. I have enjoyed working with all of these wonderful parents and hope to work with many more of you throughout the year.

Student Support Groups
Since children experience a variety of concerns at different ages, NEISD offers small, group counseling services to all students to make maximum use of their educational experience. The group meets during school hours for approximately six, 40 minute sessions during this semester. Below are the groups being offered for the Fall semester:

Real Talk (RT): Males, Healthy Interactions (anger management, respect, peer issues)
Girl Power (GP): Females, Self-esteem/respect, peer issues
Transitions (TNS): Mixed; New student group
Grief/Loss (GL): Mixed; Coping (divorce/death)
Champion Choices (CC): Mixed; Chemical resistance/intervention/prevention strategies

These groups are conducted according to the ethical standards of the counseling profession, the policies of North East ISD, and the laws of Texas. Students who participate are encouraged to discuss their learning, ideas, and feelings with their own parent(s). If you would like more information on a student support group, please contact Dr. Niki Jackson, STAN Counselor at 210-482-2200 ext. 385/njacks9@neisd.net.

Suicide Prevention Month (September)
According to the CDC 2008, suicide is the third leading cause of death for young people age 10-24. It is also the only PREVENTABLE one. In observance of Suicide Prevention Month, an informational session was done for the Reagan faculty/staff and a guidance lesson will be done for all students in Healthy Lifestyles/Health courses. President’s Volunteer Service Award Recipients
By: Mrs. Michele Horst and Mrs. Cindy Tello

On April 30, 2012 an award ceremony was held in the Reagan auditorium to honor the Ronald Reagan High School President’s Volunteer Service Award (PVSA) recipients. This program is sponsored by the Reagan PTA. The evening began with a presentation of our nation’s colors by the Reagan JROTC, followed by the Pledge of Allegiance led by Logan Talamas, and a wonderful performance of our National Anthem sung by Carly Burke.

The President's Council on Service and Civic Participation was established in 2003 to recognize the valuable contributions volunteers are making in our communities and encourage more people to serve. The Council created the President’s Volunteer Service Award program as a way to thank and honor individuals who have demonstrated outstanding volunteer service and civic participation over the course of a 12–month period.

Reagan High School and the Reagan PTA are very proud to acknowledge and congratulate the following student volunteers for their many hours of selfless community volunteer service.

Reagan Theatre’s New Season

Brings to Life Works of Harper Lee, Jane Austen

By: C. Stier

This year’s exciting theatrical line-up at Reagan High offers literary classics and a boisterous, 1920s-themed musical production. And in November, the Theatre Department presents for the first time an innovative, double treat -- a choice of two compelling plays offered the same nights at one location.

The season opens with Harper Lee’s To Kill A Mockingbird, presented October 10 -13 at 7 PM in the auditorium. This American classic explores issues of race, injustice and societal expectations. A perennial high school English class favorite, the production will offer students, as well as community members, the chance to experience a moving dramatization of this Pulitzer Prize winning novel.

In November, theatre-goers will face a delicious dilemma: How to choose between two very different shows on two different Reagan High stages at the same time. One talented cast will transport audiences to 19th Century England with Pride and Prejudice, based on the much-loved Jane Austen novel, presented on the auditorium stage. On the same nights, Robert Harling’s Steel Magnolias will be performed in the more intimate Black Box theatre. Set in Louisiana, this comedy-drama explores themes of friendship, loss and hidden strength. Both productions will be presented November 14 -17 at 7 PM. How to decide? The best option, of course, is to attend on two different evenings to enjoy both.

In February, Reagan’s Theatre, Orchestra, and Choir departments team up for the Spring musical, Thoroughly Modern Millie. The production follows the adventures of Millie, a young woman of the 1920s who bobs her hair and shortens her skirts to become “thoroughly modern.” In preparation for the show’s energetic tap and other dance numbers, dedicated theatre students attended weekly dance lessons over the summer led by accomplished student choreographers Hilary Rubio and Blake Jackson. The musical runs February 6 – 9 at 7 PM in the auditorium.

Each year the Reagan Theatre Department, led by Theatre Director Mrs. Gloria Robinson and Technical Director Mr. James Kaiser, brings outstanding dramas, comedies and musicals to community audiences. For ticket information and purchases, phone (210) 482-2200 ext.248 or email grobin@neisd.net

Singing: The Thing We Do Best!
By Claire Mikita, Reagan Choir Council President

As a new school year is soon approaching, there are several tasks that the Reagan HS choir is preparing to tackle! This year we are honored to be invited to walk the field at Rattler Roundup during the pep rally so we can display to our peers and members of this community what we have to offer.

Soundsations!, our show choir at Reagan, is thrilled to be performing the National Anthem at the pep rally and has also been busy this summer practicing some of their repertoire and polishing choreography. Our choir leadership team has been working incredibly hard to plan our Back to Choir Night. This wonderful event is sure to make both new and old members feel welcome as we play games, get to know each other, and have fun right before we kick off the new school year!

Our choir leadership team is inspired and motivated to make a positive difference in our organization this year after attending the Texas Choral Directors Association High School Student Day on July 25. We learned the qualities of a true leader, rehearsal tips, and the benefits that come from stepping out of one’s comfort zone in order to do what is right. Every member in every choir is valued and accepted, because there is so much beauty that lies within the similarities and differences between us. We want each individual in our program to let their personality, in its splendor, foibles and eccentricities, to shine through!

In addition, many of our students also attended choir camps all over Texas this summer to familiarize themselves with the All-State music for this year. These camps enable the students to learn the music as well as feel comfortable and confident singing the various challenging pieces that will first be auditioned on September 29.

We are very excited to see how successful our students will be this year. Our program looks forward to stepping into a new school year and taking one giant leap into the process and steps we take to accomplish new goals, form new friendships, and make lasting memories while doing the one thing we do best: singing!

REAGAN ORCHESTRA IS PREPARED!

Bring on the Fall: the Reagan Rattler Orchestra is fully prepared for a new year of challenging music and activities! Seventy students took part in the Orchestra Summer Camp in August, with four musicians from the San Antonio Symphony working with them on fingering and bowing techniques to get just the right sounds out of their wonderful string instruments.

There were new music reading sessions, rehearsals, and team-building fun in the gym. The week was capped off by a pool party at Gold’s Gym in Roger’s Ranch.

The Annual Rattler Orchestra Extravaganza will be held at 6:30 PM on Thursday, September 6. There will be a meal in the cafeteria (on sale through the Reagan Orchestra Booster Club) with a short presentation by the ROBC Board, followed by the first concert of the 2012–2013 school year in the Fine Arts auditorium.

The orchestra is excited to have two harpists added to its rich, full sound this year. The first full concert for fall is on October 23 at 7:00 PM and is free and open to the public. For more information, call the Orchestra room at (210)482-2200 ext. 365.
